

Workforce Development Boards

Planning for Workforce Improvement

Your economy is in flux, and your Workforce Board must plan to ensure an adequately-skilled supply of workers to meet the current and future needs. Which of the following challenges are most prevalent in your region, and how will you address them?

Ten Human Resource Challenges

1. Globalization of the Workforce
2. Rapid Advances in Technology
3. Skill and/or Labor Shortages
4. A Competitive Workforce Pool
5. A Flexible Workforce
6. A Diverse Workforce
7. An Aging Workforce
8. Retention of the Best Workers
9. An Evolving Definition of Skills
10. Impact of Personal Life on Work
